---

Dear Friends,

I am retired, my wife is a teaching assistant at Hillcrest Elementary School. We depend on income from our rental property here in North Bend. Our tenant has stopped paying her rent because of the Governor's no eviction for non-payment of rent order, in spite of the fact that her income is not being affected due to the current COVID-19 situation. We have a mortgage and other expenses on the rental that still MUST be paid, or we could lose the property to foreclosure. Please consider relief for the many landlords in Oregon like us.

Thank you,  
Greg & Yan Kuhn
