Senate Environment and Natural Resources Committee

Salem, OR 97301

Chair Dembrow and Members of the Committee,

I regret to inform you that there was a typo in my presentation on June 4th that I ended up reading from my PowerPoint slide into the record. I referenced the existing monetary offset rate for the Energy Facility Siting Council carbon standard as \$1.60; but the rate is actually \$1.90. I have submitted a corrected PowerPoint to the Committee and apologize for my error.

Sincerely,

Janine Benner, Director
Oregon Department of Energy
