Subject: Please Freeze rent!
Date: Tuesday, March 17, 2020 4:03:50 PM

Hello. My name is Alyssa Jacques and I am an Art Director in the film industry. Without work I will have troubles paying my rent and utilities through this time if it is to last through the rest of the month. Are we doing anything to freeze rent and utilities until this passes or are we stuck with the fear of not paying our bills.

Please help in anyway you can. We appreciate all that you are already doing and hope to make this work for everyone.

Thanks,

Alyssa Jacques
