Subject: coronavirus response - rent freeze?
Date: Tuesday, March 17, 2020 2:04:14 PM

I worked in a restaurant that had to go "take out" only.

Most of the staff were laid off, including me.

I have one month's rent in the bank, but that's it. A temporary rent freeze, or mortgage freeze (so my landlord wouldn't have to charge me rent) would be a godsend.

Thank you.
