Subject: Special Joint Committee: Rent relief
Date: Monday, March 16, 2020 5:56:04 PM

Hello,

As a constituent who knows the financial instability of contract work well (especially in regards to music and events) and as someone who has friends and loved ones in the service industry during this difficult time, I urge you to provide rent relief and prohibitions on evictions at the Special Joint Committee on Coronavirus Response this Wednesday, March 18th.

Thank you,
Lauren Baker
