**Date:** Tuesday, March 17, 2020 3:24:44 PM

---

During this time of crisis, please realize that most people are just scraping by while having work to pay rent. Those who are indefinitely able to work might not have enough even for this month's rent! I myself only have work at tops until May and that's best case scenario. We appreciate the eviction freeze, but most of us won't be able to catch up without a rent freeze!

Thank you in advance,  
V Richmond
