

Dear Committee Members,

Please vote yes on LC 76 in order to increase the cap for online schools from 3% to 8%. Parents need choices in how to educate their children, during these unprecedented times. I want my children to have the safest and best education that they can. I went to my school district and they denied the transfer because they met their 3 % cap. I would love to be able to do what I think is best for my children. Thank you.
