

I am a Democrat and vote for all your candidates. I own one rental property and am retired. I understand you are reviewing extending the rent moratorium today as part of a Bill related to LC90. Please DO NOT support this bill for the expansion of the eviction moratorium. I recommend working on alternatives where the government helps the renters via vouchers or payments/assistance instead of asking me or other small mom and pop landlords to finance their non-payments. The proposed legislation will hurt me and many others like me who rely on these rental payments as my income. The state of Oregon should subsidize my rental property taxes as well as provide rental assistance to me or renters, if this moratorium is extended.

Also supporting this illegal seizure of property will likely lead to lawsuits since it is against the Constitution.

From the Constitution of the United States of America  
Amendment IV - "The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures shall not be violated"  
Amendment XIV - Section 1 - "nor shall any State deprive any person of life, liberty, or property without due process of law"

Sincerely
