

I have lived in Oregon, ALL MY LIFE. I have been in the Real Estate industry for 25 years. I also have rental homes, my tenants are very well taken care of and have stayed for years. WE DO NOT NEED THIS EXTENSION.....IT IS HORRIBLE!!!!

Does not address the **\$150M** shortfall in rental assistance funding for struggling Oregonians.

- Lacks a minimum objective demonstration that nonpayment of rent is tied to COVID-19 virus, creating a loophole for those looking to exploit a crisis in their favor.
- Declares that the tenant has possession of the unit despite nonpayment of rent, which is rewriting contract law.
- At a minimum, creates a yearlong state seizure of property with no reassurance of compensation.
- Aggressively penalizes housing providers for administrative errors but gives no guarantee of relief to housing providers who incur property damages during the moratorium.
- Provides immunity to shelter operators and public entities but not to rental housing providers
- Codifies an emergency ordinance on the books forever.

Oregonians need long term solutions, not political punting. Oregon's leaders need a comprehensive response that:

- Encourages the Governor, through her Executive Order to extend the moratorium, and avoid the political horse trading of the special session.
- Provides rental assistance to struggling Oregonians, who are already facing a **\$150M** shortfall in unpaid rent.
- Improves the distribution of rental assistance with a uniform application process so that struggling Oregonians can receive assistance NOW.
- Opens courts to process housing providers claims for damages and losses to minimize debt and preserve naturally affordable rental housing.
- Establishes liability protection for housing providers, with exception for gross negligence, to head off costly frivolous lawsuits further restricting housing supply and jamming our courts.
- Does not codify an emergency order into law.
