Joint Interim Committee on the First Special Session of 2020

Dear Co-Chairs Senators Courtney & Kotek, Co-Vice Chairs Senators Girod and Drahan and members of the committee.

During your deliberations please keep in mind that small *mom & pop* landlords such as my wife and I are also in a financial bind along with the tenants. The State's attempts to protect the public health, safety and welfare of the citizens notwithstanding, if fairness and justice are to be safeguarded contractual obligations must be upheld.

Sincerely
