

Hello,

I am a small time business owner and property owner in Portland. I support helping low income Oregonians not lose their homes, even though it is costing me money in lost rent. I hope you will create a plan that will –

- 1) Ensure people do not lose their homes simply because they lost their jobs from Corona.
- 2) Ensure that people are given a reasonable way and timeline to repay missed rent, without penalties or interest.
- 3) Ensure that wealthy Oregonian landowners and property owners are not bailed out with tax payer funds.

The rich property owners will yell loudly, because they have the time and resources to do so. The disadvantaged may be quieter, but they are the ones who are suffering. Please don't help me at the expense of them. Please help the people who need help to stay housed, and fed, not the people who need help because they want to hit a certain ROI number on their investment.

Best,
-Zac
