Hello Committee,

My name is Danielle and I am a resident of Multnomah County (I currently live in SE Portland). I am reaching out to you to urge that a plan of action be created to protect Oregonians from houselessness and dissolve the debt from accumulated during the rent moratorium.

During COVID, I (amongst a great deal of other residents of Oregon and across the country) lost the entirety of my income. Many of us (renters) have received zero rental assistance or unemployment benefits. I have had no access to earning an income during this crisis and am in over \$5,000 in debt.

I strongly encourage a call for an extension of the moratorium and a discussion on relieving rent debt for the residents of Oregon.

Thank you,
Danielle Leyes
