

Esteemed members of the Oregon State Legislature,

I urge you to close the riot loophole and provide for a FULL BAN on the use of tear gas. This is a pressing issue of public health, racial justice and environmental damage. It is immoral to be using tear gas in the time of COVID-19.

Please, press forward with a full ban on the use of tear gas.

Respectfully,

Laura Milne

4666 NW Woodside Terrace

Portland, OR 97210
