

To whom it may concern,

I am writing to voice my support of the following reforms to policing:

- All local and state police officers must wear body cameras
- Body camera footage must be made public
- Ban chokeholds and strangleholds
- Ban the use of teargas and other chemical weapons
- **Exhaust ALL alternatives before shooting**
- Prohibit shooting at fleeing suspects and moving vehicles
- Police must report every instance in which they stop someone who they suspect of a crime; they must also include that person's race, gender, and ethnicity
- **Police must report other officers for wrongdoing**
- Officers can be held personally liable for damages up to \$25,000 if they are found guilty of violating an individual's civil rights
- **Reallocate police funding to social services and education serving BIPOC communities**
- **End Qualified Immunity**

Thank you for your time.

Sincerely,

Jenna Sjulín
