

Committee Chairs-

My name is Rep. Margaret Doherty and I represent HD 35 Tigard and SW Portland. I am sorry, but I did not sign up to testify in time.

I would like to have three questions answered about LC 743.

1. Will funds be provided to local police departments to replace uniforms?
2. What is the definition of tactical vests? I would hope they are not the bullet proof vest currently worn by peace officers.
3. They may want to reword CERT. That term is used in PPB for a swat team, but in many counties CERT is the Civilian Emergency Response Team, which is trained to assist in emergency situations, like seismic events, etc.

Thank you.

Rep. Margaret Doherty
