

SENATE INTERIM COMMITTEE ON ENVIRONMENT AND NATURAL RESOURCES

MEGAN DECKER
CHAIR, OREGON PUC
JUNE 4, 2020

EXECUTIVE ORDER NO. 20-04

DIRECTS STATE AGENCIES TO TAKE ACTIONS TO REDUCE AND REGULATE GREENHOUSE GAS EMISSIONS

Three themes identified for PUC implementation:

1. GHG Reduction – PUC will address GHG reduction goals through both new initiatives and renewed focus within current regulatory program
2. Impacted Communities – PUC will make internal changes to increase awareness, engagement, and knowledge; hold a public process with OHCS; and continue to explore regulatory changes to ensure Oregon's GHG reduction goals provide value for all
3. Wildfire Planning and Collaboration – PUC will move forward a review framework for electric companies' mitigation plans and continue to engage all utilities to develop best practices for mitigating wildfire risk
