

ATTN: Education Subcommittee of the Joint Committee on Ways and Means

July 20th, 2020

Co-Chairs Frederick and McLain and Members of Committee:

I am a parent in the Central Point School District. For years, Farm to School funding from the state legislature has supported excellent programs at our schools. This summer, Rogue Valley Farm to School and Fry Family Farm fed our community -- every week providing thousands of boxes of vegetables and fruit -- helping local families and farmers!

PLEASE DON'T TAKE AWAY FUNDING THAT SUPPORTS FARM TO SCHOOL FUNDING - YOU ARE TAKING FOOD AWAY FROM OUR CHILDREN, FUNDING AWAY FROM OUR FARMERS.

Please do all you can to protect funding for Oregon's Farm to School Grant Program! This funding is critical to the state's economic stability, our farmers' livelihoods, and children's well-being.

THE FARM TO SCHOOL PROGRAM WILL LET OUR CHILDREN LEARN OUTSIDE WHERE IT IS SAFE!

This funding is more important than ever in the face of the COVID-19 pandemic. These funds are critical for economic development, and school gardens are a key to social distancing as students return to school in the fall.

WE NEED THIS PROGRAM NOW MORE THAN EVER!

We understand that budget cuts are needed. JUST KEEP the Farm to School Grant Programs GOING as mandated by HB 2579.

Please do all you can to protect this critical funding for the Farm to School Grant Program. Thank you for your service.

Sincerely,

Co-Chairs Frederick and McLain and Members of Committee:

I am a parent in the Central Point School District. For years, Farm to School funding from the state legislature has supported excellent programs at our schools. This summer, Rogue Valley Farm to School and Fry Family Farm fed our community -- every week providing thousands of boxes of vegetables and fruit -- helping local families and farmers!

PLEASE DON'T TAKE AWAY FUNDING THAT SUPPORTS FARM TO SCHOOL FUNDING - YOU ARE TAKING FOOD AWAY FROM OUR CHILDREN, FUNDING AWAY FROM OUR FARMERS.

Please do all you can to protect funding for Oregon's Farm to School Grant Program! This funding is critical to the state's economic stability, our farmers' livelihoods, and children's well-being.

THE FARM TO SCHOOL PROGRAM WILL LET OUR CHILDREN LEARN OUTSIDE WHERE IT IS SAFE!

This funding is more important than ever in the face of the COVID-19 pandemic. These funds are critical for economic development, and school gardens are a key to social distancing as students return to school in the fall.

WE NEED THIS PROGRAM NOW MORE THAN EVER!

We understand that budget cuts are needed. JUST KEEP the Farm to School Grant Programs GOING as mandated by HB 2579.

Please do all you can to protect this critical funding for the Farm to School Grant Program. Thank you for your service.

Sincerely,

I am a parent in the Central Point School District. For years, Farm to School funding from the state legislature has supported excellent programs at our schools. This summer, Rogue Valley Farm to School and Fry Family Farm fed our community -- every week providing thousands of boxes of vegetables and fruit -- helping local families and farmers!

PLEASE DON'T TAKE AWAY FUNDING THAT SUPPORTS FARM TO SCHOOL FUNDING - YOU ARE TAKING FOOD AWAY FROM OUR CHILDREN, FUNDING AWAY FROM OUR FARMERS.

Please do all you can to protect funding for Oregon's Farm to School Grant Program! This funding is critical to the state's economic stability, our farmers' livelihoods, and children's well-being.

THE FARM TO SCHOOL PROGRAM WILL LET OUR CHILDREN LEARN OUTSIDE WHERE IT IS SAFE!

This funding is more important than ever in the face of the COVID-19 pandemic. These funds are critical for economic development, and school gardens are a key to social distancing as students return to school in the fall.

WE NEED THIS PROGRAM NOW MORE THAN EVER!

We understand that budget cuts are needed. JUST KEEP the Farm to School Grant Programs GOING as mandated by HB 2579.

Please do all you can to protect this critical funding for the Farm to School Grant Program. Thank you for your service.

Sincerely,
