

Hi my name is Sherry Harding My phone # is 971 237-8476. My address is 573 E. Ellendale Ave Sp#1A Dallas Oregon 97338.

This is my testimony.....

I applied for PUA the week of March 28,2020 and have been applying weekly. I have a regular claim that I am serving penalty weeks on. I would like to have my PUA claim processed and serve my penalty weeks later after the pandemic is over. I have had no income for 4 months, I am in quarantine by my doctor because I am high risks due to health reason. I have been calling the phone lines for weeks dialing over 100 times a day, most the time can't get through only get a busy signal. When I do get through I get put on hold to be transfer to someone else only to be disconnect after on hold for 2 hours EVERYTIME and have to start my call over again. Please I need help. I am losing my car, my home and utilities are being shut off. I am going to be on the street soon with no place to go if I can't get some help with this. I do not know what else to do. Please help.

Thank you  
Sherry Harding
