

To Whom it May Concern: I am a single mother of two girl's, ages 7 and 8. The girls live with me full time and I had to resign from my job because of this COVID situation. I have never been on unemployment up until now and I am 30 years old. I have no money, no way to pay all of my bills, and I am forced to do online schooling with the girls. No daycare access, no money to pay anyone to watch the girls and no job. It has been extremely difficult and I didn't choose to be unemployed I was not given a choice. Our children need us during this crisis and families are overwhelmed. Oregon has failed us and so has Congress. I have to make choices like buying food or paying my bills and it has taken its toll on many of us. Please act quickly and please empathize with the people who are doing their best.
