

Hi , I have run a Dog Boarding Business in Oregon City since 2009 , I am always busy I work 7 days a week .It is [www.sandysdogboarding.com](http://www.sandysdogboarding.com) . I came home from a short Birthday trip March 8th 2020 to find out we would be closed down . SpringBreak is one of my busiest times .I had every one cancelling . I am a single woman live a lone my only income . I always pay all my taxes , And am a responsible member of Society. I started calling unemployment & could never get through, I tried it on my computer but it kept bumping me out ,it would say what I was putting in is wrong .....so confusing ....I have never been able to get through & have never received A # or a check ????? Can you help me in any way Sandra Ortega 971-207-2571 !8921 S. Grasle Rd Oregon City, Oregon 97045 I was very scared I would lose my home. I had to borrow money so I could get by p.s. I have talked to other Dog boarders the same for them , what makes it worse is I was told Kate brown sat on ten million dollars to improve the computer systems & did nothing . I think due to a Crisis they should have people working 24 hours a day different shifts . Thank you for your time .Sandy
