

I fully support the police reform measures embodied in LC 19, LC 17, LC 18, and LC 20. Friends and I have stood at street corners in Portland for over two months with Black Lives Matter signs and Demilitarize Police. The response is overwhelming. In a one-hour period, scores of horns beep, people raise fists out of car windows, and signal thumbs up, and thank us for being there. With such vigorous support, we hope people will move beyond a horn honk and take action for police reform. There is unbelievable support for this effort. Let's make it happen. Douglas Yarrow
