Hi Michelle-

I wanted to check in and see how you were doing. I received an email from your father expressing concerns about you and your son's well being. I told him I could not acknowledge any relationship between us because of HIPAA but thought it was important to reach out to you. If you would like to come in for an appointment or check in over the phone please let me know.

Best,

Heather Nordeen, LPC

Hi Heather. Thank you so much for not telling my dad anything. He is not someone I trust as you

Michelle-

I am so sorry to hear what happened. I am glad that you and Kamden are safe. I want to tell you that this is in no way your fault. I understand that it feels like you let it happen but really it sounds like you were doing the only thing you could to protect your son and yourself. You do not know what Brian might have done if you had tried to fight and many victims of rape experience this.

Thank you so much!!! And I wanted to let you know that I finally got unemployment!!! So happy I can pay my rent this month :)

Hey Michelle,

I'm happy to hear that things are becoming a bit more steady, transitioning from a paycheck to "what's next" can be stressful and exhausting. Very happy to hear that, and thank you for providing your log as well...I was just about to submit your hours.

Our next appt. is on Tuesday the 23rd at 9am, we will touch basis and see how your Family Coach wants to end your plan for JO or continue it throughout the month of May.

Thank you again and enjoy the weather.
