**ODE Equity Stance**

“Education equity is the equitable implementation of policy, practices, procedures, and legislation that translates into resource allocation, education rigor, and opportunities for historically and currently marginalized youth, students, and families including civil rights protected classes. This means the restructuring and dismantling of systems and institutions that create the dichotomy of beneficiaries and the oppressed and marginalized.”

**Anti-Racist:** One who is supporting an antiracist policy through their actions or expressing an antiracist idea.

**Anti-Racist Policy:** An antiracist policy is any measure that produces or sustains racial equity between racial groups.
