Family First Prevention Services Update

Senate Interim Committee on Human Services – September 22, 2020

Presented by Rebecca Jones Gaston, MSW
DHS - Child Welfare Director

Family First Prevention Services Act

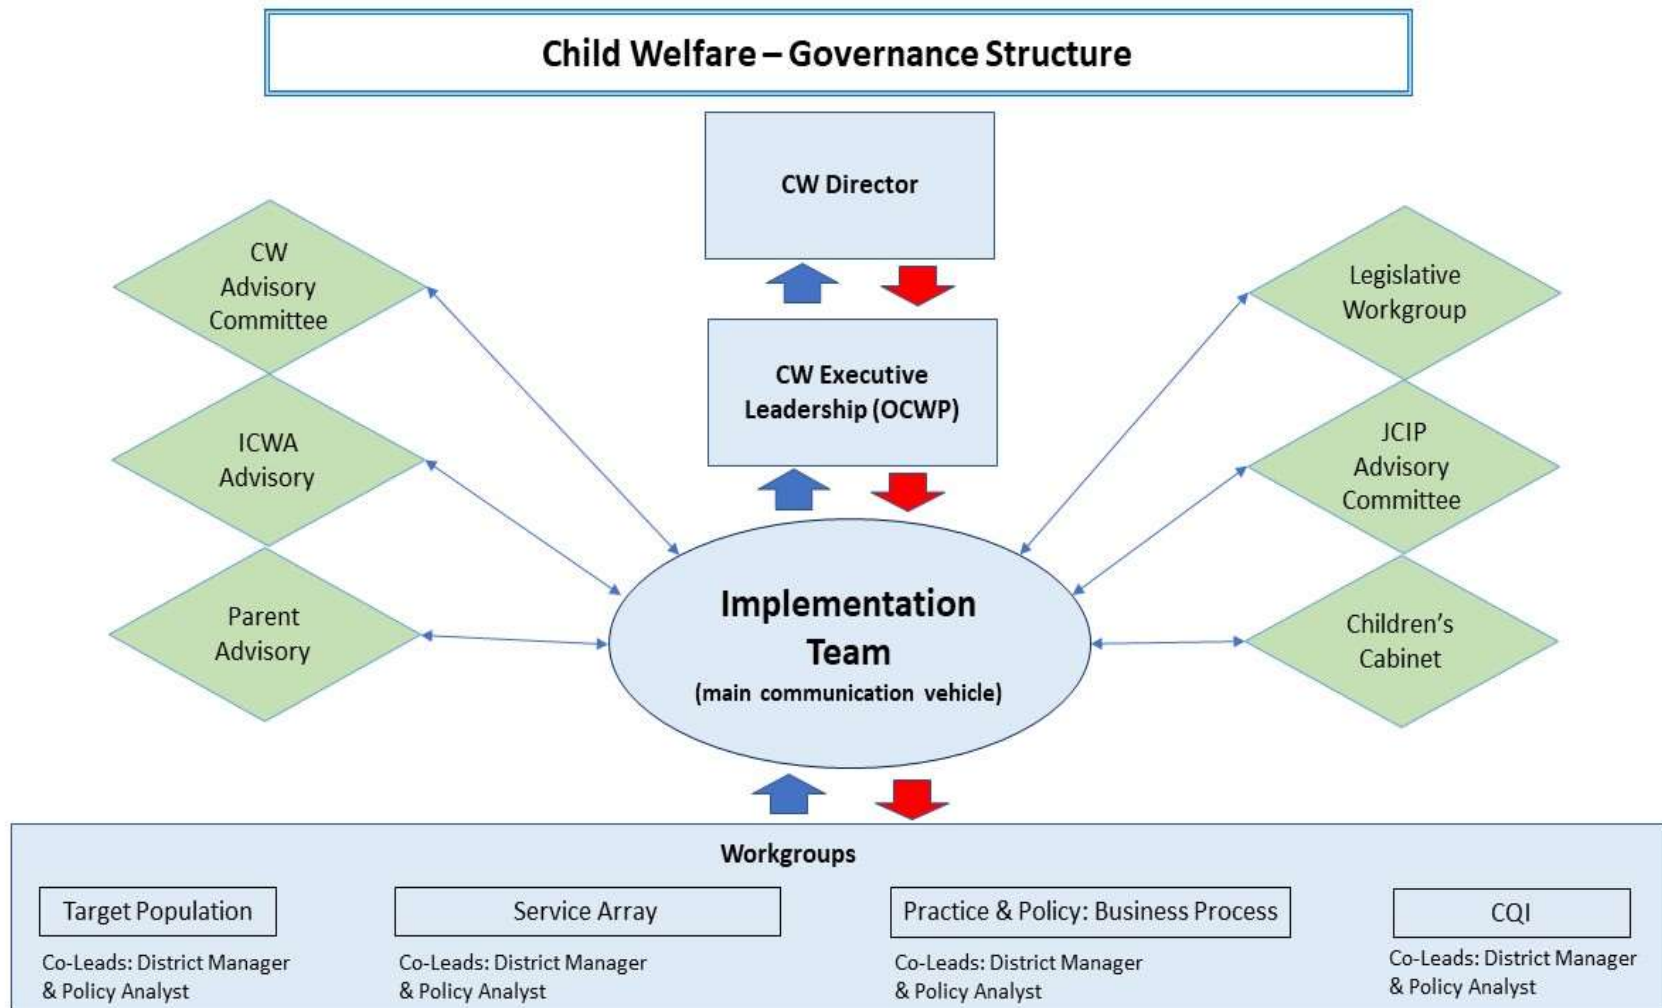

- The Family First Prevention Services Act was passed as part of the [Bipartisan Budget Act of 2018\(HR1892\)](#) which overhauled federal child welfare financing by changing the way Title IV-E funds could be spent by states.
- At its core, the FFPSA is intended to incentivize public and private entities that received their funding from Title IV-E to transition their practice models to prevention-based services that keep families together.
