members constitutes a quorum for the transaction of business. The board must meet at least once quarterly.

## **Duties and Authority**

The board provides policy oversight for the Oregon Department of Aviation.

The board must:<sup>6</sup>

- with the advice of the department, incorporate as part of its program a definite plan for the development of airports, state airways, airplane industries and aviation generally;
- through the department, cooperate with and assist the federal government, the municipalities of the state, and other persons in the development of aviation activities;
- oversee the administration of the department, including authorizing contracts, the receipt and use of federal funds, and use of moneys in the State Aviation Account;
- exercise and perform its statutory authority, power, and duty commensurate with and for the purpose of protecting and insuring the general public interest and safety, the safety of persons receiving instruction concerning, or operating, or using or traveling in aircraft, and of persons or property on land or water, and to develop and promote aviation in this state; and
- in consultation with the State Marine Board and the State Parks and Recreation Department, adopt rules governing seaplane safety and operations in state waters.

The board may:<sup>7</sup>

- perform such acts, adopt or amend and issue such orders, rules and regulations, and make, promulgate and amend such minimum standards as it considers necessary to perform its statutory duties; and
- fix the compensation of the director of the department.
