A BILL FOR AN ACT

Relating to information technology; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. (1) The office of the State Chief Information Officer shall prepare recommendations for elevating consideration of privacy, confidentiality and data security measures in the design, delivery and management of enterprise and shared information technology services for state government. In preparing the recommendations, the office shall consider and address, at a minimum:

(a) The merits of either establishing and appointing a dedicated state privacy officer within the office of the State Chief Information Officer to manage and oversee information protection and privacy guidance for state government, or continuing to delegate such duties to the Chief Data Officer or another officer within the office's current management team;

(b) The merits of developing and embedding a robust privacy assessment tool within existing evaluative frameworks for state government information technology projects and investments; and

NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 (c) The merits of outreach, education and engagement with those
2 whose information is collected, stored, compiled, utilized, commodified
3 or otherwise used as part of a state agency information technology
4 project or investment.

5 (2) The office shall provide the recommendations required by sub-
6 section (1) of this section in a report, in the manner provided by ORS
7 192.245, to the interim committees of the Legislative Assembly related
8 to government accountability and information technology no later
9 than September 15, 2022.

10 SECTION 2. Section 1 of this 2021 Act is repealed on January 2, 2023.

11 SECTION 3. This 2021 Act takes effect on the 91st day after the date
12 on which the 2021 regular session of the Eighty-first Legislative As-
13 sembly adjourns sine die.
