

# **Oregon Department of Human Services, Child Welfare Division Updates**

Senate Human Services – December 8, 2020

Rebecca Jones Gaston, MSW, CW Director

# Child Welfare Division Vision for Transformation

Oregon Child Welfare Division

**Vision** for **Transformation**

- The Child Welfare Division [Vision for Transformation](#) is the spirit of what we believe the child welfare system can and should be in Oregon.
- We envision a child welfare system built on our mission, core values, and a belief that children do best growing up in a family and their community.

## Child Welfare Division Vision for Transformation: Three guiding principles

---

- **Guiding Principle 1: Supporting families and promoting prevention**
  - Built on trauma-informed, family and community-centered and culturally responsive programs and services focused on engagement, equity, safety, well-being and prevention.
- **Guiding Principle 2: Enhancing our staff and infrastructure**
  - Depends on a diverse, supported, skilled, respected and engaged workforce that reflects and embraces the communities we serve.
- **Guiding Principle 3: Enhancing the structure of our system by using data with continuous quality improvement**
  - Built on data-informed practice and is supported by continuous quality improvement and modernized information technology systems and tools.

# Journey to Prevention is Multi-layered

Concurrent prevention efforts

OR Family First Prevention Services Act (FFPSA) Prevention Plan – Phase 1: In-home both eligible & ineligible candidates for foster care

Continuing Prevention Services to families for example: ISRS / SPRF Services, Relief nurseries, NPP, Iron Tribe, Family Coaches, and many more

Prevention of maltreatment efforts across systems

FFPSA Prevention 5 Year Plan Growth in Scope (Timeframes TBD)

Year One (early 2021)

Year Two(2021/2022)

Year 3(2022/2023)

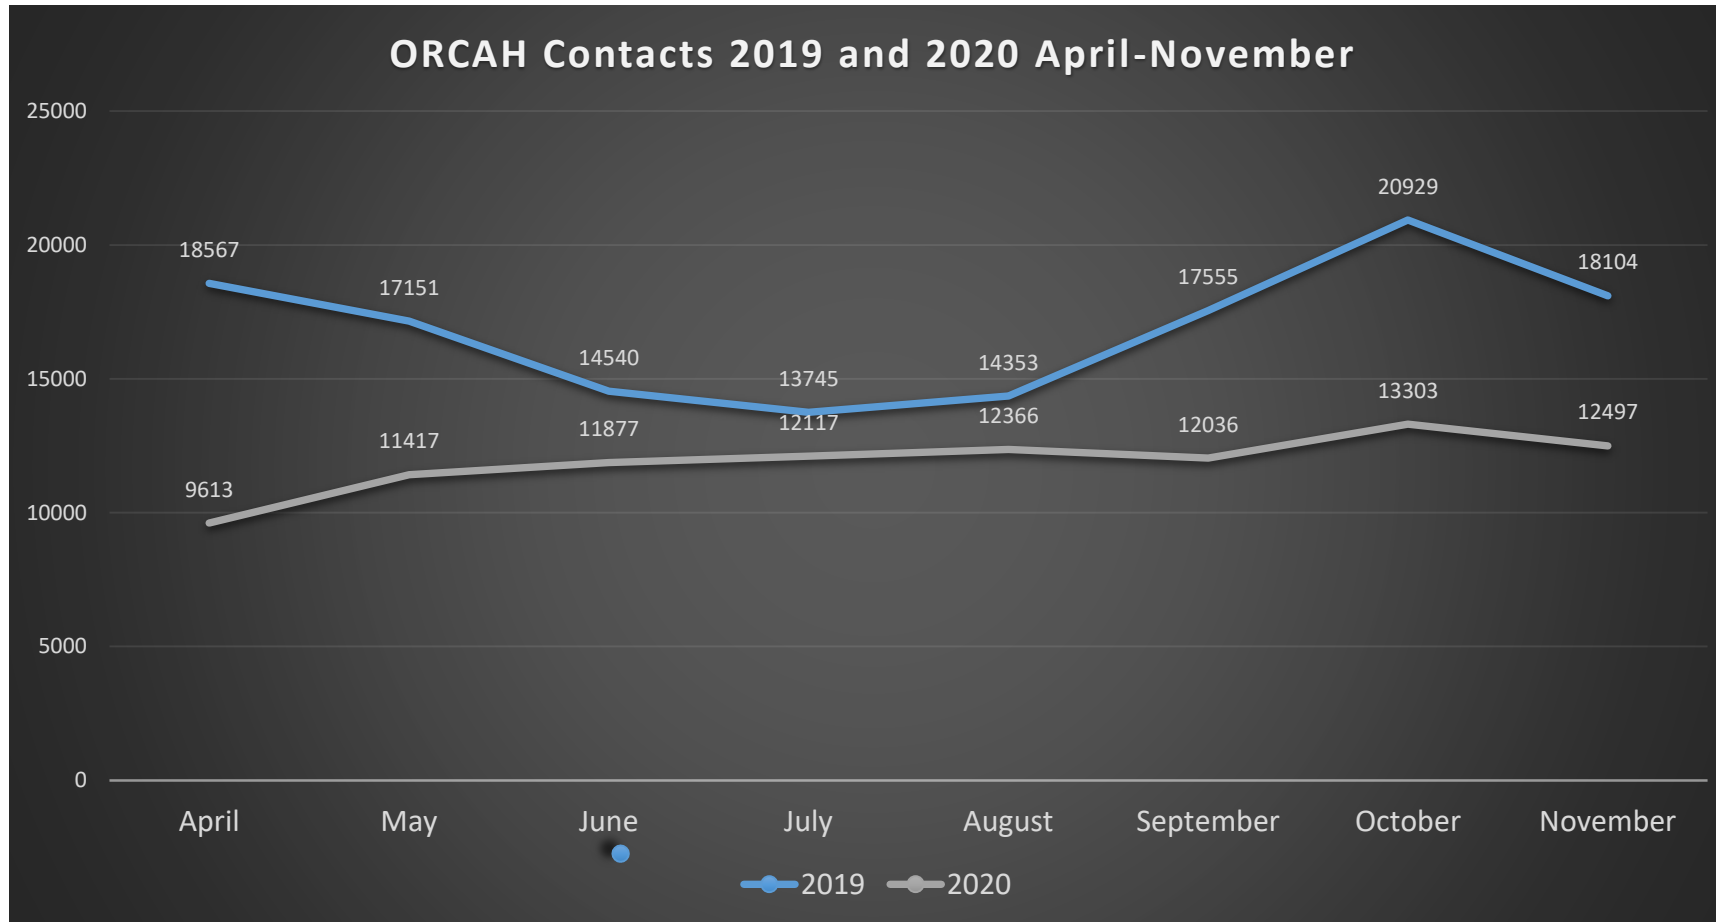

Year 4

Year 5

# Oregon Child Abuse Hotline (ORCAH)

- ☐ Roughly 40% of calls received at ORCAH are not reports of child abuse or concern for child safety.
- ☐ In October, 17% of reporters were Law Enforcement.
- ☐ In October, 61% of callers were mandatory reporters. Primary reporters are:
  - ☐ School Employee
  - ☐ Mental Health Provider
  - ☐ ODHS Staff
- ☐ Average wait time in November 2020 was 3.37 minutes.
- ☐ Abandonment rate in April 2019 was 61% and in November 2020 was 8.9%

# Oregon Child Abuse Hotline (ORCAH)

- ☐ ORCAH assignment rate to CPS of 54.5% in 2019 and 53.7% in 2020.
- ☐ Increased efforts for mandatory reporter education and information sharing was completed in summer-fall of 2020 which may attend to address over-reporting.
- ☐ ORCAH is in the process of hiring the 11 additional screener positions that were approved in the August session.

# Assessments Update

- Number of assessments open over 60 days reduced by 48.3%
- Implementation of Child Protective Services (CPS) Mobile Team
- Prioritization for completion of Out-of-Home care assessments
- Developed District-specific strategic plans for reduction of overdue assessments
- Childcare investigations shifted to Office of Training, Investigation, and Safety to allow CPS workers to prioritize familial investigations

# Prevention of Temporary Lodging

- The use of TL has been reduced by 58% over the last 12 months.
- There were 8 Nights in August 2020 and 17 nights in November 2020, where there were 0 children in TL.
- The TL Analytics Tool was piloted in the three branches from August 1, 2020 to October 31, 2020: Children identified by the tool and staffed with the TL team did not enter care in the months that they appeared on the tool.
- The TL Analytics Tool will be piloted in two additional branches starting December 7, 2020.
- A two-day academy kicked off in November 2020 for the leadership team in Midtown.
- Yearly Training required by Caseworkers, Supervisors, Program Managers, and District Managers is updated and monitored for compliance.

# Behavior Rehabilitation Services (BRS)

| Level of care  | Jan-20     | Nov-20     | Net        |
|--|------------|------------|------------|
| BRS Proctor Foster Care*   | 240        | 240        | 0          |
| BRS Shelter Residential  | 19         | 24         | 5          |
| BRS Basic Residential  | 30         | 42         | 12         |
| BRS ILP  | 25         | 4          | -21        |
| BRS Intensive Residential  | 96         | 73         | -23        |
| BRS Intensive Behavioral Support                                       | 51         | 58         | 7          |
| Psychiatric Residential Treatment Services – Child Welfare dedicated   | 14         | 14         | 0          |

# Streamlining Adoption Finalizations

Since 2017, the agency has steadily increased the percentage of adoptions finalized within 12 months of child being legally free.

Steps taken:

- Two Adoption and Guardianship Facilitator FTE job rotations created in Central Office. These positions work closely with caseworkers to identify and remove barriers as well as track progress towards finalization.
- Adoption case mapping and process improvement: The agency continues mapping all adoption steps and removing barriers wherever possible.
- “Quick Wins Cases”: Targeted adoption finalization processes for children legally free in their designated adoptive placements resulted in:
  - August 2019-July 2020: Of 531 children, 526 achieved
  - August 2020-Oct. 2020: Of 458 children, 123 legally finalized; 167 pending legal finalization.
- Joint Program Improvement Planning with Juvenile Court Improvement Project: Development and use of adoption tracking report, training for court, Citizens Review Board and CW staff on adoption process and use of tracking report
- Encouraging increased use of electronic records and processing for Child Welfare and courts

# Streamlining Adoption Finalizations

**Percentage of adoptions finalizing within 12 months of legally free:**

- 2017: 40.8%
- 2018: 46.7%
- 2019: 48.0%
- 2020 Q1 & Q2: 54.8%-in the first 6 months of 2020 have **already exceeded** 2019.
