

DRAFT

SUMMARY

Directs Office of Emergency Management to create and maintain database for flagging of known or suspected hazardous locations during emergency. Directs office to grant access to database to relevant state agencies and local law enforcement and emergency service providers.

Declares emergency, effective on passage.

A BILL FOR AN ACT

Relating to flagging of hazardous locations during emergencies; and declaring an emergency.

Be It Enacted by the People of the State of Oregon:

SECTION 1. (1) The Office of Emergency Management shall create and maintain a database, as described in this section, to be used to notify users of known or suspected hazardous locations during an emergency.

(2) The database may be used only during, and up to 15 days after the termination of, a state of emergency declared under ORS 401.165 or 433.441.

(3)(a) The office shall provide access to the database to relevant state agencies, including the Oregon Health Authority and the Department of Human Services.

(b) The office shall provide access to the database to local law enforcement agencies and emergency service providers, but such access must be limited to information relevant to the geographic locations served by the local law enforcement agencies or emergency service providers.

1 **(4) The office shall establish a user interface that allows persons**
2 **with access to the database:**

3 **(a) To add to the database by noting locations that the person**
4 **knows or has reason to believe present a heightened risk of disease,**
5 **contagion or other hazard related to the declared emergency, including**
6 **a description of the known or suspected hazard; and**

7 **(b) To query the database to determine whether a given location**
8 **has previously been noted as a known or suspected hazardous location.**

9 **(5) The office shall establish protocols for removing outdated in-**
10 **formation from the database.**

11 **(6) The office shall adopt rules necessary for the administration of**
12 **this section, including:**

13 **(a) Procedures for granting and withdrawing access to the database**
14 **to local law enforcement agencies and emergency service providers;**
15 **and**

16 **(b) Procedures for ensuring the security of information contained**
17 **in the database.**

18 **SECTION 2.** **This 2021 Act being necessary for the immediate pres-**
19 **ervation of the public peace, health and safety, an emergency is de-**
20 **clared to exist, and this 2021 Act takes effect on its passage.**
