

OREGON CANNABIS EQUITY ACT

LC 1467

Chief Sponsor: Representative Akasha Lawrence Spence

The Oregon Cannabis Equity Act provides equal opportunity for Black, Indigenous, and Latinx ownership in the growing cannabis industry and invests in communities disproportionately impacted by overpolicing and cannabis criminalization.

COMMUNITY INVESTMENT

- Invests existing cannabis tax dollars into Black-owned, Indigenous-owned, and Latinx-owned businesses
- Directs existing OHA and state school fund cannabis tax dollars to mitigate Black, Indigenous, and Latinx community health and education inequities

OLCC CANNABIS EQUITY LICENSES

- Creates an Equity License providing institutional and technical support to Black, Indigenous, and Latinx cannabis business owners
- Provides expedited licensure process and fee reduction for equity licensees*
- Creates two expanded license types reserved for equity licensees for 10 years
- Utilizes cannabis tax dollars to fund 2 new FTE at OLCC as dedicated support for equity licensees

CANNABIS EXPUNGEMENT

- Leverages cannabis tax dollars to support automatic expungement through The Office of Public Defense Services
- Removes fines and fee barrier for expungement eligibility

CANNABIS EQUITY GOVERNING BODY

- Ensures the Cannabis Equity Fund invests in Black, Indigenous, and Latinx communities and tracks a measurable return on investment of funds
- Works cross-functionally to stand up key elements of the program and is tasked with long-term sustainability

** Qualified equity licensee includes business ownership of 51% by Black, Indigenous, Latinx person or individual convicted for cannabis offense earning under income max (average-area median income).*
