

Although undoubtedly well intended, this is a draconian bill from my point of view. I am charging a reasonable amount of rent and it is still barely enough to cover the mortgage and property taxes. Why does the legislature want me to default on my mortgage payments, cause me to lose the house and cause the family living there to become homeless?

In case you haven't heard, we are in the middle of a pandemic and everyone is struggling to get by. Please come to your senses.

Yours, Larry Stewart
