Meeting Purpose/ Desired Outcome	<ul style="list-style-type: none"> • Discuss member-generated intermediate strategy ideas.
Key Issues	<ul style="list-style-type: none"> • The workgroup discussed five member-generated intermediate strategy ideas outlined in the “IS Member Ideas” meeting materials: <ul style="list-style-type: none"> ○ Individual market consolidation ○ Single payer Medicare ○ CCO consolidation ○ Value-based payment expansion ○ Cost of employer-sponsored health insurance data collection
Actions Items (e.g., data requests, next meeting agenda)	<ul style="list-style-type: none"> • Explore whether a modification to the waiver would be needed to pursue one CCO per region and require that CCOs be non-profit. Also explore if there is anything going forward in the legislature that could accomplish this. If so, the workgroup may wish to expedite sharing this policy idea so it can be integrated into waiver conversations and/or so they can support legislative concepts on this issue. • Staff presented a menu of additional intermediate strategies ideas that have been discussed by TF members during TF meetings. The workgroup leads will work with staff to determine which, if any, of these ideas should be considered further.
