Subject: re: concept 38 no on this terrible attempt to steal our rights
Date: Wednesday, January 15, 2020 8:47:18 AM

Dear committee :

Here again an attempt to make it harder to protect ourselves . With socialist violence on the rise. criminal gangs like Antifa , MS 13 , and like gangs. Homeless violence on the rise. All due to the lack of accountability of the liberal politicians. How does restricting the law abiding citizen stop crime.

A NO vote is the only option.

regards

Ritch Hanneman and family
