HB 2374

Allows credit against net income taxes for portion of eligible costs of newly constructed single-family dwelling that sells for price affordable to household with annual income at or below 120 percent of area median income.

HB 2663

Requires Department of Consumer and Business Services to review state building code for purpose of identifying provisions that unnecessarily prohibit, restrict or create disincentives for conversion of single-family dwellings into structures with two to four dwelling units designed primarily for permanent occupancy.

HB 2811

Exempts from taxation amounts received from sale of real property to housing authority or community development corporation.
