#### Public Hearing

SB 792

Removes exemption of auto dismantlers holding dismantler certificate from definition of "disposal site" for purposes of solid waste management regulation by Department of Environmental Quality.

SB 451

Establishes eligibility for renewable energy certificates for facilities that generate electricity from direct combustion of municipal solid waste and became operational before January 1, 1995, if such facilities register with Western Renewable Energy Generation Information System at any time.

SB 99

Directs Environmental Quality Commission to adopt rules applying certain oil spill prevention and emergency response planning requirements to high hazard train routes in this state.

*Note Change: A public hearing on SB 792 was added. Public hearings on SB 93 and SB 522 were removed.*

**Send materials or presentations to the email at the top of the agenda 24 hours in advance of the meeting date. All submissions will be posted and made public on the Oregon Legislative Information System (OLIS).**
