22 1 to 10 of this 2019 Act is to recognize supported decision-making

26 needs assistance with life decisions.

27 **SECTION 3. Agreement not evidence of incapacity.** Execution of a  
28 supported decision-making agreement may not be used as evidence

26 agreement, a supported person may:

3 **obtaining only information that is relevant to a decision authorized**  
4 **under the supported decision-making agreement.**

5       **(2)(a) A supporter may access or obtain patient health care records**  
6 **only if the supported person authorizes the supporter to access or ob-**  
7 **tain the person’s protected health information by executing a separate**  
8 **authorization in substantially the same form as ORS 192.566.**

9       **(b) A supporter may access or obtain the education records of the**  
10 **supported person only if the supported person executes a separate re-**  
11 **lease allowing the supporter to access or obtain the supported person’s**  
12 **education records under the federal Family Educational Rights and**  
13 **Privacy Act (20 U.S.C. 1232g).**

14       **(c) A supporter may access the financial information of a supported**

18 **is kept privileged and confidential, as applicable, and is not subject to**
