Jan. 23, 2019

Purpose

Build and coordinate a seamless system of education that meets the diverse learning needs of every Oregonian from cradle to career.

Focus

Cross-sector coordination

- Seamless system of education
- Early learning to K-12 transition
- High school to postsecondary transitions
- Cross-agency research

Data, research and analytics

- Statewide Longitudinal Data System
- Longitudinal research studies

Educator advancement

- Improved system of professional learning and support for educators through Educator Advancement Council
- Diversifying the educator workforce
- Teaching and learning conditions survey

Transition Plan for Chief Education Office Sunset

Cross-sector coordination

- Transitions to Governor's Office

Data, research and analytics

- SLDS IT and research staff transition to State Chief Information Office under statutory sunset of Chief Education Office. Transition aligns SLDS with broader enterprise coordination by new Chief Data Officer.

Educator Advancement Council

- Remains an independent body, supported administratively by the Department of Education

Oregon Education System

Working together to support each and every student, youth, and family, from cradle to career, through a seamless system of education
