Wendy Niskanen, Oregon School Nurses Association

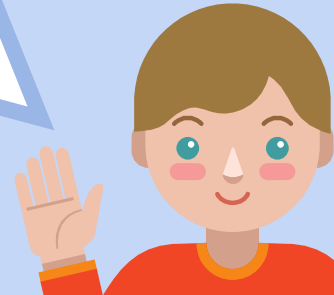

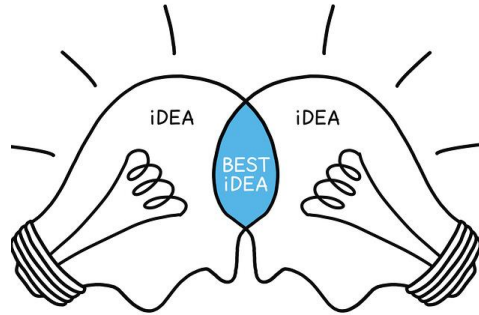

School Nurse and School-Based Health Center Telehealth

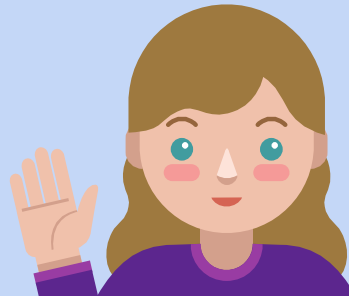

Background

- × School-Nurse Task Force - SB 698 (2015)
- × Developed a Partnership
- × Assessed Issues

Solution

School Nurses and SBHCs Work

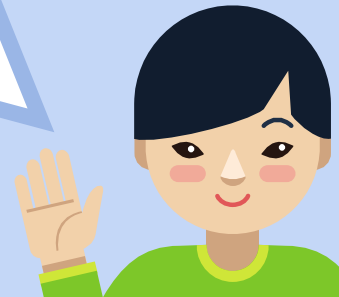

School Nurses:

- × Positive impact on the health and academic success of kids with health issues.
- × Spend 32% of their time providing mental health services
- × Reduce absenteeism

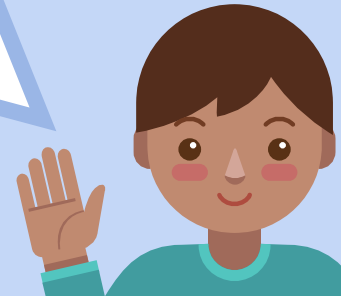

School-Based Health Centers:

- × Increase access to primary care and behavioral health services
- × Reduce suicidality
- × Reduce absenteeism
- × Cost effective, leveraging >\$3 for every state dollar through billing, grants, and local contributions

Together they can work even better!
