Overview of Marion County Citizen Corps

Ed Flick

Marion County Emergency Manager

Erik Anderson

Emergency Management Program Coordinator

Marion County Citizens Corps Council

- Program coordinator Erik Anderson
- Consists of leadership representation from Medical Reserve Corps, Community Emergency Response Teams and Auxiliary Communications.

- CERT – 300 Volunteers – 17,060 Hours
- MRC – 115 Volunteers - 3,356 Hours
- AuxComm – 46 Volunteers – 3,509 Hours

- These programs rely on the Homeland Security Grant Program and local donations for the majority of their support.

The Marion County Medical Reserve Corps' (MRC) mission is to offer disaster-related healthcare training and education to teams of local volunteers, and to provide appropriate healthcare response and interventions during times of crisis.

Citizen Corps deployment to Detroit, Oregon during the 2017 Eclipse

- CERT's mission is to educate people about disaster preparedness and trains them in basic disaster response skills.
- CERT members can assist others in their neighborhood or workplace following an event.
