

Team Rubicon USA 2018 National Recap.

Note that several more operations spun up post this graphic's creation in mid-December. Bringing our 2018 total Operations up to 90. 19 of those Operations were in the NW Territory, comprised of FEMA Regions 8 & 10.

TR provides cost free disaster response and recovery services to City, County and State Offices of Emergency Management. Fully compliant with all FEMA forms and processes. Mitigation efforts can also be provided for wildland fuels reduction, flood mitigation, and service projects to help veterans do light home repair, yard work and other individual assistance provisions.
