Subject: Support for SB 608
Date: Wednesday, January 30, 2019 3:13:14 PM

affordable housing is at a critical point in our community. Without stabilization of rents and occupancy the health of the whole community will be jeopardized. Families who are currently in housing yet making minimum wage cannot afford rent increases at the alarming rate that has occurred over the last few years.

I strongly encourage your committee to support SB 608 to protect those individuals who are doing the best they can to make ends meet with there current housing expenses and low wages.

Thank you,
