Budget Requests

- ▶ **POP 100 - Reclass Director to Approved HR Class.** \$36,680 Other Funds expenditure limitation increase to fund the DAS CHRO approved reclassification and compensation calculation for the Executive Director position, from PEM C to PEM D. Original request to DAS' Central Evaluation Team was made in July 2017 and was approved, retroactively, as of August 1, 2017. This was the first time a class and compensation analysis was done since 1990.
- ▶ **POP 101 – Implement Database Upgrades.** \$40,000 Other Funds expenditure limitation increase to fund replacement or improvement of Microsoft Access licensing database that has been in use since 1993. An updated, more user friendly interface will increase staff efficiency in responding to public inquiries.
