**Subject:** John DiLorenzo"s selfish attempts to weaken SB608 for profit  
**Date:** Tuesday, February 5, 2019 11:06:29 AM

---

John DiLorenzo admits to writing 5 amendments to further weaken SB608, including one that SB608 cancels Portland's Relo ordinance by preempting local control..

His ideas are great for rich slumlords as himself, bad for renters in Portland who are already facing rises in every other price or payment

Don't pre-empt Relo in Portland or elsewhere.

sincerely,  
C Cook
