

HB2001 is a sellout of Oregon to real estate developers.

It removes the right of local governments and communities to determine what zoning and development is appropriate in each local area.

One bill, written by Portland developers, will silence the voice of every resident and every neighborhood everywhere in Oregon. HB2001 violates Oregon's [Planning Goal 1](#): "To develop a citizen involvement program that insures the opportunity for citizens to be involved in all phases of the planning process."
