Subject: SB-47

As a concerned Oregonian boater I support this measure which provides a fee for using the waterways for these non-motorized boats. OSMB will then have more resources to invest in waterway access for these types of boats and it will free up more resources for use on improving facilities for motorized boats.

Note: Please use discretion with your personal information in written testimony (i.e., do not add personal information you do not want the public to see). All meeting materials, including your name and any personal information contained in the submitted documents, are posted to the Oregon Legislative Information System (OLIS) and are accessible to all major search engines, including Google, Bing, and Yahoo.
