RE: Oregon Senate Bill (SB) 128: Directs the Board of Medical Imaging to issue a permit to supervise fluoroscopy to qualified advanced practice nurse.

Dear Chair Monnes Anderson and Members of the Committee:

Please consider supporting SB 128 to remove limitations to CRNA practice in Oregon and help our patients gain better access to appropriate medical care.

Thank you

A handwritten signature in black ink, appearing to read 'Kimberly King', with a large, sweeping flourish extending to the right.

Kimberly King, CRNA
