

Hello Oregon State Representative(s)!!

My name is Debbie Grigsby and I began working with Florence Habitat for Humanity, Inc in June 2018, although, I also served on the Board of Directors from June 2005 to August 2009, as the acting Treasurer, at that time. Florence Habitat has grown, on pace, over the years, helping low income families achieve homeownership for the very first time. In fact, we placed two families just this year in Repurchased homes!!

Florence is in a dire need of additional low income housing!! There is an epidemic of homelessness, as great or greater than any other county in the State of Oregon, per capita. It is sad, alarming and even dangerous.

People who rent homes are depending on the Legislature to act to provide basic protections and stability. We know we need to address a range of issues to solve the housing problems our communities are facing, and it is critical the **Legislature act now to pass SB 608. Please vote yes on SB 608.**

Thank you for taking the time to read my request letter!! I understand how busy you must be and how challenging the times make your work these days.

Sincerely,

Debbie Grigsby
