Re: SB 608  
Please support SB 608.

I've been affected by rising cost eating into my ability to provide for my family as a retired person. I care that people such as myself can't make ends meet. I've spent most of my adult life just above the poverty level to spite holding a job for over 40 years. Now, after retirement, I'm finally below. Whatever can be done to hold down housing costs would go a long way towards helping

Sincerely,  
Gerald Patrick
