Subject: I STRONGLY OPPOSE HB 2747

I strongly oppose HB 2747!

HB 2747 minimizes the voice of the majority of Oregonians, who value wildlife for it's own sake.

HB2747 is unjust, a way of "stacking the deck" against conservation of wildlife.
Please join me in opposing HB 2747!

Thank you for your service, and for considering my views.
