Re: Personal Testimony of CJ Wilson in support of Oregon Senate  
Bill 703

Dear Senator Prozanski,

I am founder, CEO and owner of MyHealth.U.S. We are by some  
measures the largest source for medical records for consumers  
in America.

For the greater good and health of the citizens of Oregon, and  
with bold leadership for Americans and humans everywhere, after  
careful study, I strongly encourage you and the Oregon State  
Legislature to support the creation of property rights in personal  
data for its residents and respectfully requests SB 703 be passed.

Sincerely,

CJ Wilson  
CEO/Founder
