

Dear Chair Keny-Guyer, Vice Chairs Noble and Sanchez, and Members of the Committee,

Dear Chair Keny-Guyer, Vice Chairs Noble and Sanchez, and Members of the Committee:

It's been some years since we lived in Oregon, but this issue is one where the problem is national, and I'd like to see someone taking exemplary action.

Oregon is in a statewide housing crisis, not one community has been left untouched. In rural and urban places renters live everyday with the fear of either an unfair no-cause eviction or extreme rent increase. Oregon has been waiting for two years, and today even more people have experienced the threat of looming homelessness when that notice is taped to the door.

In 2019, can we count on you to vote yes to help nearly 1.4 million Oregonians maintain safety and security in their homes? Along with 5,000 CAT members throughout Oregon, I ask that you please pass the tenant protections as quickly as possible, our communities depend on it.

Sincerely,
Sadie Sullivan-Greiner
